"Live Workshops"

LaMausi International Inc powered by *Always A Digital Solution LLC* will launch another series of courses in the form of "Live Workshops" that will be presented by Instructors from all over the United States. Our regular customers particularly value the **Fusion Hair Extension Course**.

International Braid Courses

"Hair Braiding" is an ancient art, handed down from generation to generation in Africa. The origins of the art can be traced as far as 3500BCE. We have a many innovative ways of enhancing your career.

"Advanced Barber Classes" The very best innovative techniques by top experts & leading Barbers in the industry. Webinars and live teleconferences will soon be available.

"Advance Color Technology" After being training by some of the top educator's in the country, we know just how scary color technology can be. However, you can dismiss all of your fears, because we're offering you 6 weeks of intense theory classes along with hands on practical activities.

"Registered Apprenticeship" Upon passing the exam prep you will receive a State Approved License to practice this skilled trade. This is an industry driven training program. Once you are placed, in this program you the jobseeker can attain valuable Training Certifications from on-the-job training in the Cosmetology Industry.

"Fusion Hair Extension Training" The hottest techniques from the leading professionals in the world. Earning you an income upwards of \$100,000 per year, beginning ***THIS YEAR***.
